CARGO SOLUTIONS  
YOU CAN TRUST

## Logistical Services Freight Professionals

Management Consultant Brokerage offer reliable cargo and NVOCC solutions for clients worldwide. Operating since 1978, we have witnessed first hand the growth & evolution of the logistics industry. This has allowed us to create an approach and develop the necessary relationships that now empower our clients with the most reliable and effective set of logistical solutions available. Our clients have access to a full array of highly efficient cargo services including Freight Forwarding, Customs Clearance, Warehousing & Storage, Drayage, Rail - Air - Sea Freight, Container Services, Documentary Services, Cross Docking, and more.

## Full Service Transporter One Partner, All Solutions

As a full service freight provider we pride ourselves on our customer-centric approach which is the foundation of our success. Whether you are in need of a shipping partner to help you with the documentation of your shipment or need all the aspects of getting your cargo from point A to point B, we can help. Management Consultant Brokerage leads the industry in logistical planning and execution with 48 state common, contract, and broker authorities, implementation of only the most modern digital communication systems keeping our dispatchers updated and connected, NVOCC Licensed by the Federal Maritime Commission (FMC) to provide OTI services, customs clearing & documentation services, container and drayage services, and the list goes on. We simplify the entire transport process to safely transport your cargo giving you more time and peace of mind to focus on your business. Give us a call to learn more about why are the only logistics partner you will need as you grow your business.

### Why Choose Us?

- Handle all size loads including overweight shipments via tri-axle chassis.
- Ocean and air freight quotes to and from the U.S. for all international import and export cargo.
- We work with ports throughout the U.S. via Remote Location Filing (RLF) to reduce fees.
- We hold Customs House License New Jersey (NWK269) allowing us to function as a bonded carrier between states and licenses for the transportation of liquor in NJ, NY and CT.
- NVOCC licensed by the Federal Maritime Commission (FMC) to provide Ocean Transportation Intermediary (OTI) services.
- Complete warehousing services including transloading, export consolidation, import distribution, loading of flat racks, banding of cargo/storage and special projects requiring "heavy lifts".
- Licensed Customs Broker ready to prepare all documentation to clear or transport your cargo in bond to its destination.
- Company owned trucking division with 48 state common, contract and brokerage authorities.
- FCL & LCL services are available depending on your cargo size and transport needs.

## Freight Forwarding Shipping Made Simple

As a fully licensed NVOCC and experienced freight forwarder our staff is prepared to supply you with the most economical and time efficient solutions for your shipment. Whether you are planning to transport your goods by air, ocean, rail, or highways, our staff is prepared and licensed to accommodate your needs. We are proud to provide a full range of services including: tracking inland transportation and ocean cargo, preparation of shipping and export documents, warehousing, booking cargo space, negotiating freight charges, freight consolidation, cargo insurance, filing of insurance claims, forwarding the ocean bill of lading to proper party, and more.

## Customs Clearance Diligent & Timely Service

As a fully licensed & bonded Customs Broker we take the hassle & stress out of the entire customs process by preparing all necessary documentation to clear or transport a client's cargo in bond to its destination. We also provide Remote Location Filing (RLF) for other ports in the United States other than the NJ/NY area to reduce messenger fees and expedite clearance. This allows your shipment to get where it needs to go quickly and safely. We are also a proud member of the NCBFAASA, giving us access to many exclusive contracts with several steamship lines nationwide. Our membership to the NCBFAASA also allows us to meet and exceed your logistical and shipping needs at competitive rates you can rely on.

We coordinate all documents necessary to clear Customs such as power of attorney, commercial invoices, forwarding and preparing of any necessary bills of lading. Providing reliable and diligent Customs Clearance services for over 40 years, MCB has diligently established a Customs Clearance division ready and able to handle any customs requirement so give us a call today to see how we can help with your custom clearance needs.

## Licensed NVOCC Reliable OTI Experts

Management Consultant Brokerage is NVOCC licensed by the Federal Maritime Commission (FMC) to provide Ocean Transportation Intermediary (OTI) services for all types of international import and export cargo. Anything that needs to be done to clear your cargo, we will do.

As an established and reliable NVOCC, we are fully bonded and licensed to provide affordable shipping rates for major ocean carriers worldwide while maintaining effective routes and efficient rates. We assist our clients in solving a variety of international shipping challenges including ocean freight consolidations by applying cost-effective shipping rate negotiations and our 40 years of logistics expertise. We provide any freight assignment (i.e. door to door, FOB, EXW).
